Dear Mr Baxter

HOUSING (SCOTLAND) ACT 2006
APPLICATION FOR HOUSE IN MULTIPLE OCCUPATION LICENCE
PREMISES: **2F2, 163 BRUNTSFIELD PLACE, EDINBURGH, EH10 4DG**

I refer to the above and write to inform you that on **2 August 2022** the City of Edinburgh Council granted your application for a House in Multiple Occupation Licence until **30 September 2024**. The licence document is enclosed.

The grant is subject to the Council's standard conditions for this category of licence, and particular attention is drawn to condition number 12, which is the requirement to provide neighbours with notification of emergency contact details, etc. **A neighbour notification form is enclosed. You should pass a copy of the form to every neighbouring occupier in the same building as the licensed premises and any adjoining premises, within 28 days of the date of grant of licence. The certificate at the foot of the notice should then be completed and returned to the Council's Licensing Service at the undernoted address.**

Please note that failure to comply with the Council's licensing conditions will result in a referral being made to the Licensing Sub-Committee for consideration under revocation procedures. The Council may also issue a Rectification of Breach Notice, under which it is an offence to permit the property to be occupied without reasonable excuse, while the Notice is in force. You should also note that breach of licensing conditions is a criminal offence.

Please note the expiry date of your licence, as it is the licence holder's responsibility to ensure that any new application is lodged before the expiry date of the current licence and reminder letters may not be sent. A new application lodged before the expiry of your current licence will act to keep your existing licence in force until the new application is determined. If your current licence expires before a new application is lodged then your property will become unlicensed until such time as a new application is granted.
