The assessor completing the following section should prioritise remedial measures, based on the level of risk.

Priority ratings and suggested timescales:

Low (L) 3 – 6 months	Medium (M) Up to 3 months	High (H) As soon as possible

The above timescales are recommendations, however, risks should be removed as soon as possible.

STEP 4 Action points

	Priority	Person responsible	Completion date
Test Alarms	Medium	Megan Fennell	Ongoing weekly

Continue on separate sheet if necessary.

Review the fire risk assessment if there is a reason to suspect it is no longer valid or if there has been a significant change in the matters to which it relates.

STEP 5	Assessment review		
Review date	18 Oct 2023	**Reviewed by**	James Baxter

Reason for review

1. Landlord Responsibility
2. HMO Legislation

Outcomes of review

Everything was in order at the time of the assessment
