

CONTACT DETAILS

My telephone number is

James Baxter: 07811 335040

My Email address is: james@scandinavianmountains.com

If I am out of the country on holiday then there will be a message on both my mobile phone voicemail and also my Email autorepy which will tell

- where I am,
- how contactable I am and
- when I will return.

Even if I am somewhere remote it is not likely I will be out of contact for more than a few days at a time and the maximum will be a week.

In each flat there are one or two “Responsible Persons” who you can raise any matter with. If they cannot contact me, then they have full authority to solve the problem using these proceeding 20 documents, depending on the problem.
